FAST MONEY
2026 CALENDAR

TRADE WELL | TRADE SMART | MAKE IT COUNT

Welcome to 2026: Your Year of *Fast Money* Market Mastery

As we welcome a brand new trading year, opportunity awaits at every turn. This isn't just another year on the calendar—it's your next chapter of market excellence, your chance to turn volatility into victory, and uncertainty into unstoppable returns.

Whether you're riding the momentum of a breakout trade, navigating the complexities of earnings season, or spotting the next big trend before the crowd, this calendar is your strategic companion.

We've marked every date that matters: Fed meetings that move markets, earnings releases that reshape sectors, industry conferences that create opportunity, economic reports that set the tone for the months ahead, and the biggest sporting events of the year.

The markets reward the prepared, the disciplined, and those who stay ahead of the curve.

Thank you to our *Fast Money* traders for your expertise, your transparency, and most importantly, your dedication to empowering investors with the knowledge they need to succeed.

In the spirit of *Fast Money*'s legendary final trades, we wish you the conviction to make bold moves, the wisdom to manage risk, and the patience to let winning positions run.

Here's to profitable quarters, successful strategies, and trades that would make even the Nasdaq closing bell ring with pride.

May 2026 be the year your portfolio reaches new heights and your market instincts prove unstoppable.

Fast Money Disclaimer:

The dates, events, and other information contained within this calendar are provided for informational purposes only and do not constitute financial, investment, tax, or legal advice or a recommendation to buy any security or financial asset.

While every effort has been made to ensure the accuracy of the dates and events listed, dates and events are subject to change without notice. Before making investment decisions, you should strongly consider seeking advice from your own qualified financial, investment, or legal advisors, or other appropriate professionals.

We want to thank our CNBC reporters, producers, and contributors for sharing key dates for this calendar.

They are the market intelligence specialists who understand that in the world of investing, timing isn't everything, it's the only thing.

From the opening bell to the after-hours moves that reshape tomorrow's trading landscape, the CNBC team delivers the precise, actionable information that serious investors depend on.

Our reporters break the stories that move markets, ask the tough questions that reveal hidden opportunities, and translate complex financial developments into the insights that drive smart investment decisions.

Their commitment to accuracy, speed, and context has made CNBC the essential source for investors.

They understand that behind every data point, earnings report, and market movement are real consequences for real portfolios.

Their dedication to excellence in financial journalism makes informed investing possible.

Thank you for all that you do for our CNBC community.
